

**Ron Taylor Award
of
Integrity & Commitment**

The nominee named is representative of the "RTA" – Ron Taylor Attitude. This attitude is comprised of three key components:

Connection

Commitment

Contribution

The Ron Taylor Attitude is formally defined as having *"a talent to connect with people, fearless in commitments, the ability to contribute in any endeavor, resulting in a lasting positive impression."*

The nominee is one who illustrates a committed leadership involvement and contribution to family, friends, community, employer, and industry. He/she has given service to WMA as a member, by serving on committees or at the board level. The nominee represents the very best of our Association.
