Exhibitor Appointed Contractors (EACs)

What is an EAC?

An Exhibitor Appointed Contractor (EAC) is any contractor other than an Official Contractor that provides a service to an Exhibitor within his exhibit space. EAC's are independent contractors hired by exhibiting companies to perform services such as labor to build or dismantle their booth, booth supervision, booth design, independent display companies, delivery personnel, technicians, models, photographers, computer technicians, ANY SERVICE in your booth. It is the Exhibitor's responsibility to advise its Exhibitor Appointed Contractor (EAC) of all of the following.

NOTE: An EAC will be granted access to the exhibit floor ONLY if the EAC Request Form and Certificate of Insurance have been received and approved by WMA. There will be no exceptions.

Questions regarding EAC's should be directed at asmith@worldmillworkalliance.com

Request to use an EAC

If you intend to use contractors other than the WMA's Official Show Management, Freeman, to assist in setting up or doing any other work in your booth then you MUST complete the following:

1. Exhibitors must submit the WMA EAC Request form to WMA. This form is submitted by exhibitors and identifies the EAC's they wish to use. EAC Request forms are due August 30, 2019. If correct information is not submitted by this date, there is the chance that the contractor will not be permitted on the show floor.

2. The EAC MUST submit (to WMA) an original Certificate of Insurance. The Certificate of Insurance is a General Liability Insurance Certificate naming World Millwork Alliance; its Directors, Officers, Agents and Employees; and the Peppermill Casinos, Inc. as additional insured from October 5-11, 2019. The EAC shall, at its sole cost and expense, procure and maintain through the term of the 2018 WMA Annual Convention & Tradeshow, comprehensive general liability insurance against claims for Bodily Injury and Property Damage occurring in or upon or resulting from the premises leased by WMA. Such insurance shall include contractual liability and product liability coverage, with combined single limits of liability of not less than $1,000,000. USING EXHIBITOR APPOINTED CONTRACTOR’S (EACS) & LABOR

An Exhibitor Appointed Contractor (EAC) is any contractor other than an Official Contractor that provides a service to an Exhibitor within his exhibit space. EAC’s are independent contractors hired by exhibiting companies to perform services such as labor to build or dismantle their booth, booth supervision, booth design, independent display companies, delivery personnel, technicians, etc. An EAC will be granted access to the exhibit floor ONLY if the EAC Request Form and Certificate of Insurance have been received and approved by the World Millwork Alliance (WMA), aka Association of Millwork Distributors, and Show Management; and the EAC has met the WMA badging requirements. There will be no exceptions.

An Exhibitor setting up his/her own booth must provide ‘Exhibitor’ badges for all of their set-up and dismantling staff.

How to register your EAC

1. Submit an EAC request form to WMA. This completed form must come from the exhibiting company and not from the Exhibitor Appointed Contractor.

2. Submit an original Certificate of Insurance to WMA. Fax copies are NOT acceptable. A sample Certificate of Insurance is located in the back of this section. The Certificate of Insurance is a General Liability Insurance Certificate in the amount of $1 million combined single limit bodily injury and broad form property damage coverage, including broad form contractual liability, naming WMA; its Members, Directors, Officers, Agents and Employees; and Peppermill Casinos, Inc. as additional insured from October 6-11, 2019. The EAC shall, at its sole cost and expense, procure and maintain through the term of the 2019 WMA Annual Convention & Tradeshow, comprehensive general liability insurance against claims for Bodily Injury and Property Damage occurring in or upon or resulting from the premises leased by WMA. Such insurance shall include contractual liability and product liability coverage, with combined single limits of liability of not less than $1,000,000.

3. Official Contractor must be notified. Exhibitors using agent representatives, for whom a request for exception has been made and approved by WMA, must supply the Freeman Companies with an address and phone number. If the EAC will order services on behalf of an exhibitor, the exhibitor must also provide Freeman with the Third-Party Authorization Form located in the Order forms section.

EAC approval is subject to the following:

1. Approval will be granted only in cases where permission has been requested in writing by the Exhibitor using the appropriate request form and received by the World Millwork Alliance, 10047 Robert Trent Jones Parkway, New Port Richey, FL 34655, no later than August 30, 2019. Any request received after this date will be on a supervision basis only, in which case the Exhibitor must use the Official Contractor’s labor.

2. The unpacking, erection, assembling, dismantling and packing of displays and equipment must be done by the correct type of Union labor.

3. All contractors must use union labor and abide by union jurisdiction in force at the time of the Exposition. An exception will be granted only if it will not interfere with or prejudice the orderly setting up, interim services, or dismantling of the Exposition. An exception will not be granted if it is inconsistent with the commitments and obligations assumed by the WMA in its agreement with the lessor of the exhibition space or in any contract with the Official Contractors. For services such as electrical, plumbing, telephone, rigging, material handling (including all movement of material and equipment), and booth cleaning, no exception will be made and the Official Contractor must be used.
Badges for EAC Personnel

Set Up Badges - WMA requires all EAC personnel to wear a WMA “set up” badge to gain access to the exhibit floor. Hall security will not allow access into the exhibit hall without an approved WMA badge. Special designated “set up” badges are available at the WMA registration desk.
