### **About WMA**

Established in 1963, World Millwork Alliance (WMA), is a global wholesale distribution association dedicated to the progression and prosperity of the millwork industry, including the support of a highly skilled workforce. WMA engages in advocacy efforts on behalf of their member-businesses, fostering a united millwork trade community that delivers innovative products and services for the benefit of the millwork industry as a whole. As the voice of the millwork industry for nearly 60 years, WMA provides members with networking forums and advocacy, serving as a conduit for educational and informational resources for the millwork industry. For more information, visit the Company's website at [www.WorldMillworkAlliance.com](http://www.WorldMillworkAlliance.com)
