#### **Taiga Building Products**

Established in 1973, Burnaby, British Columbia-based Taiga Building Products (Taiga) is a leading independent wholesale distributor of millwork and building materials. Taiga operates 13 millwork distribution centers in Canada and the United States. Taiga produces preserved lumber at three plants strategically located to service the Canadian market. As well, Taiga exports products into markets in Asia, Central and South America, and the Middle East. [www.taigabuilding.com](http://www.taigabuilding.com)

### **Associate Members:**

#### **ACCSYS Group**

ACCSYS Group is the manufacturer of ACCOYA modified wood. Sustainably sourced and with a low total lifetime carbon cost, ACCOYA actively contributes to a circular, bio-based economy and is one of the few truly sustainable building materials demonstrating excellent stability and decay as well as superior top-coat performance. Applications include doors, windows, decking and general exterior millwork. ACCSYS head office is in London, a primary Accoya production site in the Netherlands, and a U.S. sales office in Dallas, TX. <https://www.accsysplc.com>

**Misura Group**

Established in 2002 Hudson, Wisconsin-based Misura Group is a staffing and talent search group with close ties to the millwork industry. Misura Group works closely with millwork companies seeking talent such as door shop managers, general managers, vice presidents, and executives. [www.misuragroup.com](http://www.misuragroup.com)
