## **Woodgrain Completes Trimco Millwork Acquisition**

**Fruitland, ID. - December 18, 2023** - Woodgrain, a leading millwork and building products company, has completed the purchase of Trimco Millwork, which has three total locations in Boise, Idaho; Salt Lake City, Utah; and Denver, Colorado.

Trimco Millwork is a wholesale distributor of mouldings, exterior doors, interior doors, and other specialty building products. With the acquisition, Woodgrain increases its distribution center network to 35 locations. These additions expand Woodgrain's national footprint into the Rocky Mountain West.

Woodgrain is family-owned and one of the leading millwork and building products operations in the world with locations throughout the United States and Chile. With 69 years of quality craftsmanship and service, Woodgrain is a leading producer of mouldings, doors, and windows, as well as a premier distributor of specialty building products. Woodgrain, Inc. is headquartered in Fruitland, Idaho with six divisions and over 45 manufacturing and warehouse facilities in the United States and South America. For more information, visit [www.woodgrain.com](http://www.woodgrain.com).
