Press Release

## **AmesburyTruth - Vice President of Sales to 'Pass the Torch'**

Edina, MN

**Vince Eslick, Vice President of Sales** has announced his retirement after more than 27 years in the fenestration industry, with the majority of that time in sales leadership roles. Vince's unparalleled knowledge and an amicable, forthright, and steadfast style has earned him a trusted status within AmesburyTruth and throughout the industry.

As Vince embarks on a well-deserved retirement after 7 years of exemplary service with AmesburyTruth, we reflect on his outstanding leadership and dedication. "Vince has been instrumental in our company's success, and his impact will be felt for years to come. We are grateful for his contributions and confident in the future as we promote Phillip Cooke to lead our sales team." said Bob Burns, President of AmesburyTruth.

AmesburyTruth is excited to promote Phillip Cooke to the Executive Leadership Team as Vice President of Sales. Phillip has been with AmesburyTruth since 2015 and has served in various progressive roles including Channel Management where he was instrumental in setting up our distribution network and Product Director for Seals and Extrusions. Phillip earned his bachelor's degree from Christopher Newport University and is expecting to finish his MBA from Clemson University this upcoming summer.

His deep understanding of the company and its operations will bring valuable insights and strategies to the sales department.

President Bob Burns said "We are thrilled to welcome Phillip to our executive team. His history with AmesburyTruth will bring a comprehensive business perspective to this role and we look forward to his leadership in the organization."

### **About AmesburyTruth**

AmesburyTruth, headquartered in Edina, Minn., has more than a century of industry expertise offering the broadest portfolio of products in the marketplace. With more than 2,800 employees and manufacturing plants located across the United States, Canada and Mexico, AmesburyTruth provides engineered hardware and sealing solutions to residential and commercial window and door manufacturers. More than 90 percent of the homes built in North America in the last 50 years have AmesburyTruth products in their fenestration solutions. AmesburyTruth is the North American division of Tyman plc.
