NORFIELD CELEBRATES 65 YEARS OF EXCELLENCE IN THE RESIDENTIAL DOOR INDUSTRY

Celebrating Over Six Decades of Innovation and Partnership in the Door Industry

Chico, California – September 9th, 2024 | Norfield, a leader in providing innovative solutions for the residential door industry, is proud to announce its 65th anniversary. For over six decades, Norfield has been dedicated to enhancing the efficiency, quality, and profitability of door production and installation for businesses across the nation.

"Our 65th anniversary is not just a milestone, it's a testament to our enduring commitment to our customers and the door industry," said Dan Bird, VP of Operations "We've achieved this landmark through persistent innovation, exceptional customer service, and the unwavering pursuit of excellence. As we celebrate, we are also looking forward to new opportunities to serve and grow alongside our valued partners."

Michael Barney, VP of Sales and Marketing, added, "This anniversary is a perfect occasion to express our gratitude to our customers and partners who have trusted us through the years. We continue to advance our technologies and services to meet the evolving needs of the door industry and help our partners achieve their business goals."

Norfield invites all current and prospective customers and partners to continue collaborating for innovative solutions and growth opportunities. The company remains dedicated to providing the highest quality products and services, ensuring that all partners not only meet but exceed their operational goals.

Join Norfield at Booth 217, at the upcoming World Millwork Alliance 2024 Millwork Convention & Tradeshow in San Antonio, from October 8 & 9, 2024. For more details about the event, please

visit World Millwork Alliance website at <https://worldmillworkalliance.com>. This event will provide an excellent opportunity for customers to meet with the Norfield team and discuss how Norfield can support their business needs.

About Norfield

Since 1959, Norfield has been a pivotal player in the North American residential door industry, renowned for its industry-defining Magnum and Eagle machines. Based in Chico, California, Norfield continues to set industry standards by delivering state-of-the-art machinery, comprehensive support services, and a wide array of specialty tools and products. Our dedication to innovation and customer satisfaction solidifies our reputation as a leader, consistently enhancing productivity and efficiency for our clients.
